JOURNEY LEADER: ROMY HAHN

Take a cable ride to the majestic Seceda Ridgeline

There is no better way to embrace "la dolce vita" than by trekking through the dreamiest landscapes of northern Italy on this hiking adventure tailored for the active traveller. From the Venetian Lagoon, we venture north through lush farmlands before reaching the rolling foothills of the Alps. Along the way, take in incredible vistas, dine on delicious cuisine, try your hand at cooking the Italian way, and of course, savour the fruits of the hills with a glass of wine or two.

Then, we head onwards to the towering Dolomites, where we will hike between peaks and drive along splendid mountain roads. To cap it all off, we will unwind over two nights in the serene, sparkling floating city of Venice with visits to the colourful islands of Murano and Burano.

With our journey leader and local guides, we will hike through exquisite scenery, soak up the region's history and culture, and connect with nature. This trip promises to be nothing short of magical!
