CHERRY BLOSSOMS & TAKAYAMA FESTIVAL
APRIL 10-25, 2026 • 16 DAYS • 29 MEALS
JOURNEY LEADER: JOAN PITMAN

Cherry blossoms paint the spring in pink dreams, with Mount Fuji in the distance

Japan, the world's third-largest economic powerhouse, remains a captivating enigma to many outsiders. Renowned for its dominance in electronics, automobiles, and heavy industry, we often overlook the fascinating depths of its history, culture, architecture, and arts. Japan is a multifaceted gem, with neon-lit modern cities, alpine villages nestled amidst mountain regions with pastoral sceneries that appear untouched by the modern world, and relics of an imperial and feudal past, preserved for all to see. Join us as we explore this nation during Sakura season, when the cherry trees burst forth in a glorious display of colour. In Japan, spring arrives early, and for approximately two weeks, millions of trees teem with new life (though, of course, this timing depends on nature). Experience the diverse landscapes of Japan on this journey, from bustling cities like Tokyo and Hiroshima to a tranquil mountain retreat, Takayama. We will step back in time in Takayama's Old Town, as the Edo-style streets come alive during the vibrant Takayama Festival. Discover the historical and religious relics of Kyoto, Japan's Imperial capital for nearly 1,000 years, and marvel at the temples of Nara. Immerse yourself in the timeless traditions of a ryokan (traditional inn) and be enchanted by the picture-perfect sights of several Japanese gardens.
