FEATURING A YANGTZE RIVER CRUISE
SEP 13-29, 2026 | 17 DAYS | 38 MEALS | CENTURY VICTORY
JOURNEY LEADERS: DEB AND BRIAN TILSON

The Great Wall of China

China is a nation of immense influence — a country whose history, culture, and innovation continue to shape the world. We are pleased to bring back this exceptional tour, which features a Yangtze River cruise through its dramatic gorges along with visits to some of the country's most fascinating destinations: the imperial landmarks of Beijing, the vibrant commerce of Shanghai, the ancient treasures of Xi'an, and the beautiful landscapes of Guilin.

The massive Three Gorges Dam was completed in 2003, ultimately raising water levels by more than 100 metres and creating a reservoir stretching over 600 kilometres. Yet the gorge scenery remains as breathtaking as ever, with peaks still rising nearly 1,000 metres above the river's edge. A special visit to the dam is included as part of the cruise. Together, these experiences create a journey through China that is as varied as it is memorable.
