EMERALD CRUISES | EMERALD RADIANCE

We are very pleased to once again offer this exciting itinerary to the Douro River and the great maritime city of Lisbon. This unique itinerary will delight river cruisers and those who love to explore the Old World. We begin our cruise in Porto for seven nights of discovery on the mighty Douro River, a major waterway of the Iberian Peninsula. The banks of the Douro are peppered with villages and vineyards that are uniquely Portuguese. We also take the time to visit the UNESCO World Heritage Site of Salamanca, Spain, a gem of beauty and history, boasting the world's third oldest University. Our journey is capped off with a visit to Lisbon, the city where most of the Portuguese expeditions in the Age of Discovery began. We will spend three days here with many opportunities to explore its rich heritage as well as a visit to the mountain town of Sintra.
