JOURNEY LEADERS: NICK & PAM CANNON

Windmills, a symbol of Dutch heritage and craftsmanship

Experience the beauty of Holland and Belgium at the height of spring, when the region's famous tulips are in full bloom. This journey takes us beyond the garden gates of Keukenhof to discover the vibrant culture and layered history of the Low Countries — from traditional windmills rising above flower fields to the medieval fortresses and renowned diamond districts that shape the region's identity.

Sailing with AmaWaterways, we explore these iconic landscapes with ease, watching the scenery shift from bustling historic harbours to tranquil riverside meadows directly from our staterooms. Effortless discovery defines the rhythm of the voyage. Wake in the heart of medieval cities like Antwerp and Nijmegen, ready to wander cobblestone squares or cycle through the Dutch countryside. Whether sampling local chocolates and beers or delving into World War II history, each day blends cultural depth with the relaxed luxury of river cruising.

We enjoy a scenic cruise through the IJsselmeer as we make our way toward Bruinisse. Upon arrival, we have the opportunity to choose how we wish to spend our time. One option is a guided tour of the medieval harbour town of Zierikzee, a place brimming with history, from its 16th-century stone Gravesteen to the charming shops and cafés lining the waterfront. Or we may choose to explore the powerful history of the 1953 flood disaster at Neeltje Jans. APR 16, Friday

GHENT, BELGIUM

Our journey brings us into Belgium today. We may opt for a guided walking tour of Ghent to admire its unique canal-side architecture. We visit the 12th-century Castle of the Counts and the soaring St. Bavo's Cathedral, home to the world-renowned Adoration of the Mystic Lamb by the Van Eyck brothers. Those with a sweet tooth might instead prefer a hands-on chocolate workshop. After a glass of champagne and an introduction to the history of Belgian chocolate by a master chocolatier, we have the opportunity to taste various pralines and craft our own. Alternatively, a full-day excursion takes us to Bruges, a UNESCO World Heritage Site celebrated as one of the best-preserved medieval cities in Europe. We stroll through the iconic Grote Markt and Burg Square before visiting the centuries-old Church of Our Lady, famous for its prominent brick spire. Before returning to our ship, there is time to sample local specialties, such as traditional Belgian waffles or fries, while soaking in the atmosphere of this historic gem.

APR 17, Saturday

ANTWERP

Today we glide into Antwerp, where high fashion and the world-renowned diamond district meet centuries of medieval history. This morning offers two ways to discover the city. One option is a walking tour through the historic centre, including a visit to the UNESCO-designated Cathedral of Our Lady. This Gothic masterpiece, the largest of its kind in the Benelux region, houses four major paintings by Peter Paul Rubens. Along the way, we see the 13th-century Steen Castle, the Grote Markt, and the iconic Brabo Fountain. For a more active exploration of the city, you may join a guided bike tour. Later in the afternoon, you may choose between two experiences. Visit the Castle of Groot-Bijgaarden for the annual Floralia spring flower show, where approximately one million bulbs are hand-planted each year across the castle grounds. Or join a culinary tour to indulge in the world-famous Belgian trifecta: artisanal chocolate, traditional waffles, and local beer.
